Manufacturer of Architectural Laminated Glass Panels

We offer a large selection of glass types, textures and configurations. We're able to laminate glass up to 72" x 144" in size and an overall laminated glass thickness ranging from 1/8" to 3" thick.

Our laminated glass products are manufactured in accordance with ANSI Z97.1-2004, CPSC 16 CFR 1201 and ASTM-1172 testing standards.

Our selection of custom interlayers include:

- Natural organic elements
- Hi Resolution Graphic Film
- Prints, solid and transparent colors
- Wood Veneers
- Color Changing Materials

We can flat edge polish laminated glass, as well as perform glass painting for single or double sided viewing.
